1. Introduction

Product Vision

Outline the features and development required for a dedicated SETU services app. By building upon the existing design of apps with similar functionality, we can build a foundation for the product.

Maynooth University App

FOR (target customer)

WHO (statement of the need or opportunity)

The (PRODUCT NAME) is a (product category)

THAT (key benefit, compelling reason to buy)

UNLIKE (primary competitive alternative)

OUR PRODUCT (statement of primary differentiation)

Similar App B [PLACEHOLDER]

move to your branch for this, remember to merge branches when complete
